

Novell Red

Designation of origin: Pla i Llevant de Mallorca

Serving temperature: 15 - 17 °C

Bottle format: Case of 6 bordelaise bottles x 0.75 litres

Tasting note: Deep cherry red with morello cherry hues. Clean and bright. Clean on the nose with strong aromas of ripe fruit (redcurrant and blackberry) together with hints of damp earth. Warm, tasty attack with good level of tannins. Well structured and expressive. Well-balanced and very fruity. Untainted retronasal with hints of raspberry preserve and pleasant vegetable aromas. Cheerful, fresh and flavoursome finish, with a light and noble acidity. Long aftertaste, which leaves a pleasant memory on the palate.

Pairing: Highly versatile. White meat casseroles. Grilled meat. Medium cheeses made of cow's milk.
