Nose: Varietal aromas of fruit (tropical pineapple) and fermentation (banana) with smoky and fine wood notes resulting from its aging in French oak barrels.

A fine and refreshing attack on the palate leads to a balanced and pleasant mouthfeel, slightly acidic, which gives the wine an elegant freshness.

A clean retronasal aroma confirms the initial impression with notes of fresh fruit and the smoky and fine wood notes.

A silky finish with a long and refreshing aftertaste that invites another sip.
