

## TÉNTOL

Red

---

**Denominación de origen:** Pla i Llevant de Mallorca

**Serving Temperature:** 16-18°C

**Presentation:** Case of 6 x 75cl Burgundy bottles

**Varieties:** Merlot, Cabernet Sauvignon, and Callet

**Tasting Notes:** Ruby red color. Brilliant. Intense color with raspberry highlights. A highly intense and high-quality nose; aromas of ripe red fruit (redcurrant, raspberry) forming a pleasing harmony with the notes from 12 months of aging in oak barrels. A warm, dry, and flavorful attack on the palate with a sweet, fresh, and elegant mid-palate. Balanced and very fruity. A pristine finish with fruit notes and pleasant hints of licorice and cocoa.
