

Téntol, Aproscóm

TENTOL is a wine designed by LICORS MOYÀ and PERE SEDA for solidarity purposes. Between all Pere Seda wines in different tanks, we select a coupage to design a wine with its own profile. It is always sponsored by well known persons around Mallorca with no profit purposes. Part of the incomes are destined to a charity organization.

This 2.2020 wine was sponsored by the theater actor, Antoni Gomila and the charity organization selected was "Aproscóm"
