

# Téntol, sonrisa medica

## A solidarity Project.

The laught is the best medicine.  
Therefore, we donate 1 euro for each bottle to Sonrisa Médica

TENTOL is a wine designed by LICORS MOYÀ and PERE SEDA for solidarity purposes. Between all Pere Seda wines in different tanks, we select a coupage to design a wine with its own profile. It is always sponsored by well known persons around Mallorca with no profit purposes. Part of the incomes are destined to a charity organization.

This 2.018 wine was sponsored by the footballer Sergi Darder and the charity organization selected was "Sonrisa médica"
